

Cases for Consideration – Trustee Meeting March 2025

Name/Address	Age	Income	Membership	Previous History/Grants
John O’Neill Connect	52	244.00 Social Welfare	Yes	June 2024 – €5,000

John is a 52-year-old single man with two dependants a son aged 13-year-old and a daughter aged 17 year old. John is still waiting on an official diagnosis. He is under the care of Beaumont Hospital the last 6 months. John has severe inflammatory spinal cord Syndrome that is partially steroid and immunosuppressant responsive. I spoke to John on Thursday 06/03/2025 and he advised he has gone back to live with his mam, he also advised he is being admitted back into hospital on Monday 10th march so they can further investigate so they can ascertain a definitive diagnosis.

John is under pressure financially as he has two dependants that he also must pay towards e.g. School Trips and maintenance costs.

Pension Payments: John has a total of 353 Contributions to CWPS from 2003-2024

281 weeks are standard rate only

72 weeks are at the builder rate. Which includes CWHT & CWBF.
